#### 8. ASSIGNMENT

Search your assigned area, specifically focus on the areas nearest roads and trails. Systematically fine search as much of the assigned area as possible, emphasizing areas nearest the road. A high probability of detection is more important than covering the furthest reaches of the area. Determine search method in the field based on terrain.

## INCIDENT OBJECTIVES (ICS 202)

1. Incident Name: Spread Creek Search	2. Operational Period: Date From Time From	Date To Time To															
<p><b>3. Objective(s):</b> Effective, high POD search for clues for assigned search area</p>																	
<p><b>4. Operational Period Command Emphasis:</b> Keep it tight. No social media sharing pictures, sharing with public. National attention, lots of media focus. Be clue aware. Could be anything--mattress missing, clothing, personal belongings. Ground disturbances, track traps, unnatural piles of vegetation. Look under things where would someone hide something? High POD. Call in clues, be aware of crime scene and preserve the scene. Drop waypoint @ clue. take a photo. Don't leave scene until LE arrives. If not with you</p>
